"Cambodia is currently undergoing its worst drought in an estimated 70 years..."

We have been offering up our volunteer truck this past month to assist Water on Wheels with rice and water deliveries in rural Cambodia. Please take a look at their website / Facebook page / crowdfunding sites to see the great, essential work they are doing and how you can contribute.

IN OTHER NEWS

We had a bingo fundraiser night at Rosy Guesthouse and raised just over **US\$400** for our projects! A big thank you to Rachel from Rosy's and our long-term volunteers, Mark and Nikki, for orchestrating this event! Also to the local businesses that donated prizes & everyone who attended or at least brought raffle tickets in support of VBC! It was an amazing night full of love, laughter and community spirit! Check out this blog post and some more of the pics from the night:
