We installed a toilet and well for the family of House #20 with our volunteers, Chris and Nick. A big thank you to past volunteers, Dominique and Yvonne, for raising the money that funded these projects!

Meet the Maughan's & Sim and Dan

This is Jack Maughan, an Australian student undertaking a double major in **Geology** and **Geophysics** who recently celebrated his 21st birthday.

Hi Jack

For his birthday, all Jack wanted was the chance to give back a little and see the famous Angkor Wat temples with his family. His mum, Annie, was on it and started doing some research. It was months in the making and

organisation, but Annie booked in with VBC and their family friends, mother-and-son duo, Sim and Dan, decided to join them too. They held a poolside fundraiser before their trip and brought over enough money to fund a house build, toilet build and to also buy a sustainable gift for the family that would help generate an income for them and keep on giving (we got a cow!). Great work guys! It was a pleasure meeting and working with you all! And a big thank you for your continued support in trying to find us sponsors, etc.! So great!!!

We started and finished House #25 in Beng Village with the Maughan family, Sim and Dan, Madalina (our first volunteer from Romania), Dawn, Nick and Chris.

Bunthourn & Det!
We wish you both all the best!

THIS MONTH (continued)

We completed another house (House #26) in Sreth Khang Kerth Village with Dawn, the Maughan family, Sim and Dan and our local expat helpers, Eiffel and Tiffany. ANOTHER big thank you to Dominique and Yvonne for also funding this project through the money they raised in Holland.

We completed ANOTHER house (our 11th this year - House #27) in Battambang with the Monks from Buddhism for Education of Cambodia! In just two and a half days! So much fun!!

And a big thank you to our friends at The Little Red Fox Espresso for letting us throw a little surprise party for them in their cafe!

Check them out below and pay them a visit next time you're in town!

Happy Khmer New Year

14th - 16th April, 2015

Our volunteers and us were lucky enough to be invited to celebrate the last day of Khmer New Year with Bunthourn and his family. It was such a special day full of food, blessings, dancing, water, powder and bathing and shaving the heads of the local nuns for good karma. A big thank you to Bunthourn and his family for including us on this very special occasion!
