Newsletter
Edition 21
August 2016

Mr Karl Maughan held his fundraiser at Boston Bay Winery on 20th August and raised enough money for not only House #100, but also a whole other house build! A big thank you to House #100 sponsors, Alexis Southern & family and Marie Bell & family, and the sponsors of the second house build, Amanda Partington & family and Andrea Broadfoot & family! Also to everybody who helped with the food, prizes and entertainment for the night! These things are a lot harder to put together and pull off than they seem, so thank you to everyone involved!! We appreciate the support so much!!

On 23rd August, we celebrated the birthday and return to Siem Reap of our fave VBC Inc. (Australia) President, Marjorie Argenta! She will stay in Siem Reap for three months, working as a Reiki and Art Therapist at Purple Mango Wellness Centre (<https://www.facebook.com/PurpleMangoWellness/>) run by our friends at Green Gecko, as well as helping us and other local NGOs out! Bless her cotton socks! Marj will take a short trip back to Perth in October to host our 2nd annual fundraiser! This year we're doing a Bingo Night which is sure to be a hoot!

“ Khaled Hosseini – And the Mountains Echoed

I should have been more kind. That is something a person will never regret. You will never say to yourself when you are old, ”
Ah, I wish I was not good to that person.’ You will never think that.

J'aurais dû être plus gentille

You're looking at our Community Centre's first classroom, sponsored by this amazing duo from New Zealand! Brendon and Dee first joined us just over a year ago, and this was Brendon's third time back!! He stayed three months and Dee joined him for the last one!! So amazing, you guys are great!!

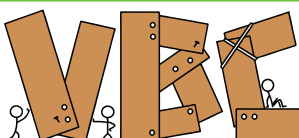

We also welcomed back Alana who first joined us in May 2015! This year she brought her sister, Tameeka, along for the ride and collectively they raised enough money for a whole house & school books and supplies for 2 local village schools!
