## HOUSE #34

With help from Rowan, Daymora, Jenny, Todd, Cat and our Hashers, Marianne, Kevin, Shanae, Dave, Phyllis & Jackie...

## What's a 'Hasher'?

A 'Hasher' is a member of the Hash House Harriers - a social club whose origins can be traced back to Kuala Lumpur in the early 1930s. The Hash House Harriers are all about promoting physical fitness by scheduling regular social runs/walks and somewhat juxtapositionally quenching their thirst afterwards with copious amounts of beer. There are now Hash chapters worldwide in over 60 countries.

## CONNECT

HOUSE #35

HOUSE #36

For the 3rd consecutive year, we were joined by a group of 22 students and 3 teachers from Herts & Essex High School who raised £1619 to support a local community centre and our building projects and made and distributed 125 dresses for 4 to 10 year old girls! Such a great effort!!

HOUSE #37

Thanks to our volunteers, Cat, Charlotte, Harley, Steve, Bec, Sam, Sal and the staff at Royal Angkor Resort for helping to fund a house, toilet and well for this family!

# What our volunteers say

Mother and son duo from Adelaide, Australia  
House #25 & House #26 - April 2015

Loved volunteering for VBC. Love the unique experiences offered to me through my connection with VBC. Love Sinn, Jason, Bunthoun and Det. Love the other volunteers from around the world that I had the privilege to work with... Looking forward to continuing to share the love with VBC for a long time to come xxxxx

Working with VBC was one of the greatest experiences of my life. Everyone was so instantly welcoming, warm and friendly, making for incredibly fun working conditions. I felt as though we were treated as more than volunteers; like friends and I loved forming relationships that transcended the language barrier. It was so rewarding to help out those less fortunate and I feel like I have actually made a difference to the families lives who we built for.
