WAREHOUSE OPENING

This month we were joined by another group from Salesforce who helped us build two more houses! Amazing!! We took the opportunity to host a small opening ceremony for our warehouse whilst there were some representatives here from the foundation that made it possible. We were lucky enough to be joined by some of our friends from BEC (**Buddhism for Education of Cambodia**) who came all the way from Battambang just to help bless the warehouse and our staff and volunteers! What a beautiful day!

Another 6 houses #1 THIS MONTH

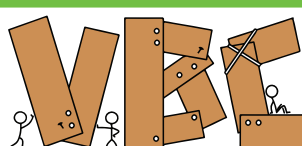

A shout out to Jay and Rachel for jumping out of a plane and trekking up a mountain (+ more) to raise money for a house build! You might remember Jay from last year when he scaled the Europa building in Belfast to raise money for his builds! Can't wait to see what they do next year!!

• • • And Joel, our funky flashpacking welder from Perth, who funded House #85 in it's entirety and even had VBC and his build #'s ← tattooed on his leg!!!!
Great work, everyone!!!
