Donate
with **PayPal**

We now have an easy way for you to donate on a regular basis! It can be as little or as much as you like – just let us know – and it all goes through PayPal. Once you've subscribed, the specified amount will come straight out of your account each month automatically! **#sosimple** We are hoping for a large number of small donors (but don't let us stop you from being a large donor if you so choose please and thank you!) whose combined donations will help get our Community Centre up and running. It would be great timing for us given...

Community Centre update

- One classroom complete, 3 more being finished
- **320** children enrolled to start English lessons
- Set of books chosen / lesson planning underway
- In the process of recruiting 4 full-time teachers
- Projects in the pipeline that will eventually fund this initiative (hopefully)

If you have any suggestions about things that we could try that would help support our project/s and the local community (or if you are interested in setting something up in your own country), let's collaborate!

“Collaboration divides the task and multiplies the success”

- unknown

CALENDARS

We have just finished designing and printing some **2017** wall calendars. They are a great and practical gift which take you through a typical house build as the months pass. All money raised via their sales will go toward funding our Community Centre.

Minimum donation of **\$20** and one can be yours! But why not buy a couple?

^^

INFO@VOLUNTEERBUILDINGCAMBODIA.ORG

We delivered our first two pregnant cows from Karl's Cambodian Cow Club to two families we have built for in the past few years. A big thank you to Sheree and Adaline for sponsoring Ming Ming (left) and Molly (right) to assist our families in generating an income for themselves!
