

# VOLUNTEER BUILDING CAMBODIA

Newsletter  
Edition 11  
October 2015

This month, we hosted our first official fundraiser for VBC Incorporated (Australia). It all went off without a hitch on Friday, 16th October, and a massive AUD\$2000 was raised! A huge thank you to everyone for organising / running / attending / donating prizes for / preparing food for this event to support those less fortunate than themselves. Such a great team effort!! And how amazing that the winning team donated their \$200 cash prize straight back to VBC!

Also a big thank you and shout out to our friend, and long-time supporter, **Mr Mark Vanderkolk!** Mark is working and living in Singapore and first joined us for a toilet build in July 2014! He has just helped raise enough money to cover our Social Worker's wage and English lessons for 12 months!!!

Congratulations, Keo!

# CONNECT

We finished House #15 which was funded by this beautiful, newlywed couple from Norway! Instead of wedding gifts, these two asked for cash to fund a house build, and now a family of 5 in Trach Village has a home! So great!!

Thank you, Einar & Liv Berentsen 

We built these houses simultaneously with three groups from St Joseph's Institution International School who joined us as part of their Challenge Week, and individual volunteers, Sanne, Vincent, Steve, Brendon and John! To fulfil other aspects of their Challenge Week, our teams went on cycling tours and took part in cooking classes in their spare time throughout the week - the group who did the cooking classes took over the kitchen at Victory Guesthouse and prepared a couple of dishes for the family and local helpers at the blessing ceremony of the house. Great work everyone!!

HOUSE #46  
Caroline, Julia,  
Jo, Brendon

↑ #47 ↑ #48

Vincent, Sanne, Megan, Luke  
Nikki, Mark  
Brendon, Jono, Cheryl #49
