

# VOLUNTEER BUILDING CAMBODIA

Newsletter  
Edition 10  
September 2015

## House #41

We couldn't have built for this family at a better time. The Thursday night before we were due to start, their house blew down in wind whilst they were all sleeping inside. Thankfully no one was hurt and a week later they had a brand new house!! This gives you a pretty good idea about the quality of existing houses in this village.

Thank you to our old friends, Carina & Niels, for fundraising the majority of the money needed for this build!

## Meanwhile, in Australia

We are now a registered Incorporation in Australia and are waiting to hear back from our application for charity status and tax deductibility. So long as this is approved before financial year end (June 2016), all donations received even now will be tax deductible!

Next month we will be hosting our first quiz night fundraiser! We are hoping to raise enough money for another house build! A big thank you to our Australian board members and 24/7 Power Fitness in Maddington for sponsoring this event! We've had some great prizes donated already so if you're in Perth on 16th October contact us to reserve yourself a seat/table!

QUIZ NIGHT in support of   
**VOLUNTEER BUILDING CAMBODIA**  
 Improving the living conditions of local Cambodian families

VBC provides families in need with access to **safe, dry housing**, adequate sanitation and clean, drinking water.

# House #42

Thank you to our second **Salesforce** group this year and Giacomo, John & Steve

# House #43

**House #43 and #44** were built simultaneously! A big thank you to our builders, Det and Bunthourn, for stepping up and running a site each, with assistance from our long-term volunteer, Steve, Sinn and Jason!

# House #44

Mark's group, feat. Renee, Jo-Anne, **Leanne**, Gary, Leaf, Jonathan, Judy & Wendy

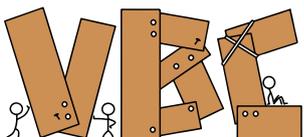

A big thank you to this awesome group of kids from Cairns, Australia and Karen & Wayne for organising their group. These boys washed cars, held a sausage sizzle, garage sale and hiked almost 1km up Walsh's Pyramid to raise money for their build! **Great work boys!!!** Was a pleasure working with you all!
